

**2023 OFFICIAL HANDBOOK (Posted soon)**

Hobie BOS exists so kayak anglers can enjoy the competitive atmosphere that tournament fishing has to offer. In addition, camaraderie and sportsmanship among anglers is what makes our community great, and playing fair, respecting fellow anglers and our series is of utmost importance. We want you to fish with us, we want you to have a good time, and we want you to be safe and get home after our events knowing you gave it your all and conducted yourself in the best way possible.

We look forward to season 5!
